Conditions of Booking & Operations

Individual or Group bookings

SB Repertor can take up to 12 passengers maximum for sailing charters - as individuals or in groups - we can sometimes join individuals and smaller groups with others to make up numbers. Confirmation of trips depends on location and at least 8 bookings.

Bookings and Fees

To confirm a booking, a 25% deposit of the charter fee should be paid, with the balance payable not less than 4 weeks before the trip. To confirm bookings made less than 4 weeks before the trip, the full charter fee should be paid.

Private charters for locations which require specific transfer passages may incur additional charges from those shown.

Cancellation by the Passenger

If any passenger cancels their booking for a trip, their deposit fee is non-refundable. If the cancellation takes place less than 4 weeks before the start of the charter, the passenger is liable to pay the full amount of the charter fee.

Cancellation by the Owners or Agent

Confirmation of all charter trips is dependent on a minimum of 8 passengers booking places. If 8 places have not been booked by 2 weeks before the start of the charter, the Owners/ Agent may decide to cancel the charter and to return all fees deposited. Every effort will be made to carry out charter trips as described but, in the event of adverse weather conditions, it may be necessary to change or cancel the planned itinerary. If it is possible to give 2 or more days notice of such enforced change or cancellation, all charter fees deposited will be refunded. Wherever possible, passengers will be offered alternative charter dates and, if agreed, then all fees deposited will be carried over to the new charter date. If passengers arrive for the charter and, in the skipper's opinion, it is unsafe to depart, no refund will be made, but the barge, her crew and catering to be provided for the charter trip will remain at the disposal of the passengers.

No liability for compensation will be accepted by the Owners/Agent due to enforced change or cancellation of the trip.

Insurance, Safety and Operations

SB Repertor is fully insured, certified and maintained, with life-saving and fire-fighting equipment, all complying with Maritime and Coastguard Agency (MCA) regulations.

For operation of the charter and the safety of SB Repertor, her passengers and crew, sailings are always subject to tides, the weather, safety and the Skipper's decision, which is always final.
