As an example, you can add on the days before or after Matches (races), as passage trips between ports-of-call or as round-trips, to give you a wider barge-sailing experience.

- Sailings and timings are always subject to tides, the weather, safety and the skipper's discretion
- Prices shown include catering. We can quote for self-catered, repeat & group discount prices
- B&B over-night before or after day-trips may be available, at £25 each

Conditions of Booking

Bookings and Fees

In order for a booking to be confirmed, a deposit of 25% of the total charter fee should be paid.

The balance of the total charter fee should be paid not less than 4 weeks before the start of the charter trip.

To confirm bookings made less than 4 weeks before the date of the charter, the full charter fee should be paid.

Insurance and Safety

Insurance, equipment and maintenance of SB Repertor are carried out by the vessel's owners. SB Repertor is fully insured, certified and equipped with life-saving and fire-fighting equipment, in accordance with standards regulated by the UK Maritime and Coastguard Agency (MCA).

For operational aspects of the charter and safety of SB Repertor, her passengers and crew, the decision of the skipper is final.

Cancellation by the Passenger

If any passenger cancels their place on a charter trip, their deposit booking fee is non-refundable. If the cancellation takes place less than 4 weeks before the start of the charter, the passenger is liable to pay the full amount of the charter fee.

Cancellation by the Owners or Agent

All charter trips are dependent on a minimum number of 8 passengers booking places on them. In the event of a minimum of eight places not being booked by 2 weeks before the start of the charter, the Owners/ Agent may decide to cancel the charter and to return all fees deposited to passengers who have booked. Every effort will be made to carry out charter trips as described but, in the event of adverse weather conditions, it may be necessary to change or curtail the planned itinerary. If it is possible to give 2 or more days notice of such enforced cancellation, all charter fees deposited will be refunded. Wherever possible, passengers will be offered alternative charter dates and, if agreed, then all fees deposited will be carried over to the new charter date. If passengers arrive for the charter and, in the skipper's opinion, it is unsafe to depart, no refund will be made, but the barge, her crew and any catering to be provided for the charter trip will remain at the disposal of the passengers. No liability will be accepted by the Owners/ Agent for expense or compensation arising from enforced cancellation of the charter trip or change of itinerary.
